Hair Restoration

The **RESTORE FUE** Method

100% Natural, Undetectable Results

No one will know, but you. You'll get a fuller, thicker head of hair, without ugly hair plugs or a visible scar line.

A Dramatically Better Approach

Other clinics may harvest donor hair by stripping skin from the back of the head. At RESTORE, you'll get the results you want, minus the scalpel and stitches.

Comfortable Procedure

Sit back, stream movies, browse the web or read a book. You'll spend the afternoon relaxing in a posh suite while we RESTORE your hair.

How Much Will It Cost?

Invest in yourself

Save \$1,000 on your F.U.E. Procedure.

Exact cost depends on your level of hair loss. Get a free, personalized quote below. Payment plans available — no money down with payments as low as \$150 per month. A full head of hair can pay off for a lifetime.
